Dear Friend, My Name is James Angus, managing director of Diamond Security & Storage Company here in South Africa. In my department, I discovered an abandoned consignment worth over the sum of US\$12 million dollars (Twelve Million USDollars) in a file that belongs to our foreign customer, LATE MR. ANDRE ASSCHER RANNER from Munich, Germany who died along with his entire family in July 2000 in a plane crash. Below is a website which I will appreciate you going through to read the information. <http://news.bbc.co.uk/1/hi/world/europe/859479.stm> Since then, I have made several enquiries to locate any of his extended relatives but all effort has proved abortive. The reason why I am contacting =

you is based on trust to enable me present you as the next-of-kin to him so that his consignment will be released to you for safety and subsequent disbursement. Nobody has come to our company for claiming of the consignment. It will be easy to convince the company since I am in possession of the necessary legalised documents that back-up the consignment and which will present you as the rightful next-of-kin to the deceased customer. I don't want this consignment to go into company's treasury as unclaimed bill. The company laws and guidelines stipulates that if such consignment remains unclaimed after eight years, the company will confiscate it. The request for a foreigner as next-of-kin in this transaction is occasioned by the fact that late ANDREAS was a foreigner and any indigene cannot stand as next-of-kin to a foreigner. All I require is your honest co-operation to enable us see this transaction through. I guarantee that this will be executed under a legitimate arrangement that will protect you from any breach of the law. I agree that 25% of this money will be for you as a respect to the provision of your assistance, 5% will be set aside for expenses incurred during the transaction, another 5% to help the less privilege and to assist the charity organisations here in Africa and abroad while the rest 65% will be for me. Thereafter, I will visit your country for disbursement according to the percentage indicated. Therefore, to enable the immediate release of this consignment, you must apply to the company as the relation or next of kin of the deceased indicating your complete information, complete name, postal address, occupation, your private telephone and fax number for easy and effective communication and location where the consignment will be released to. Upon receipt of your reply, I will send to you by fax or email the text of the application you will send to the company to seek the release of the consignment to you. I will not fail to bring to your notice that this transaction is hitch-free and that you should not entertain any fear as all required arrangements have been made. You should contact me as soon as you receive this mail. My email address is jamesangus@executivemail.co.za Or you can send your number for me to call you. Trusting to hear from you immediately for more detailed discussion. Regards, James Angus Managing Director, Diamond Security & Storage Company
